

Foodbank Appeal

Can you help local families who are struggling?

As we edge closer to Autumn, families and individuals are struggling to juggle the pressures of high food costs and the threat of increased heating bills. Your donations can make a big difference to someone in the community.

Donating an item or two in your regular supermarket shop goes directly to individuals and families in your community who are struggling.

Prefer to give money? Scan the QR code to donate funds securely — your donations help us with urgent needs like fuel to reach rural areas, energy bills in our centres, and stocking gaps in food supplies.

Thank you so much for your support.
